PROFESSIONAL SUMMARY

Motivated and detail-oriented AI student with a strong foundation in C++, Python, SQL, and cybersecurity. Recognized for problem-solving abilities, analytical thinking, and adaptability in fast-paced environments. Passionate about AI, data-driven solutions, and secure system design, with a commitment to continuous learning and innovation. Eager to contribute technical expertise and a collaborative mindset to challenging projects.

CERTIFICATIONS

- Google Cybersecurity
- Intro to SQL
- Python Data Analyst
- Data Analyst with Excel
- HTML, CSS for Web Developers

SKILLS

- C++
- Python
- SQL
- Assembly Language
- Web Development
- Databases
- Data Analysis
- Cybersecurity
- Teamwork
- Problem Solving
- Communication

PROJECTS

- **Encryption & Decryption** – Implemented encryption algorithms using matrix operations and function-based logic to securely encode and decode messages.
- **Bank Management System** – Developed a secure banking system with user authentication, OTP verification, and file handling for transaction management.
- **Interactive Game Hub** – Created multiple interactive C++ games including Head-Tail, Rock-Paper-Scissors, Tic-Tac-Toe, Morse Code Converter, Hangman, and Word Hunt.
- **Portfolio & Login Page** – Designed a portfolio website with HTML, CSS, along with a login page.
- **Assembly Language Projects** – Developed Balloon Shooting Game, CPU Benchmark System, and Text Speed Analyzer using Assembly language for low-level programming applications.

EDUCATION

BS ARTIFICIAL INTELLIGENCE

University of Management and Technology | Oct 2023 - Present

CGPA: 3.79 | **Awards:** 3 Medals

Relevant Coursework: Data Structures & Algorithms, SQL & Databases, Computer Networks, Marketing, Professional Practices

ACTIVITIES

- **Convocation Assistance – University of Management and Technology** Assisted in event management, guest coordination, and logistics at the university convocation.
- **Donation Collection – Shaukat Khanum Memorial Hospital** Organized and participated in fundraising campaigns, collecting donations for cancer patients.
